Beginner Level -Little Star Vocal Program -The Little Star Program is a foundational vocal training course designed for young students who love singing but may have little or no prior experience. Open to learners from all backgrounds, the program is thoughtfully structured to match the psychological and physical development of children, with classes organized by age group. This program provides a joyful, engaging introduction to vocal music, helping students build solid foundational skills while nurturing creativity, confidence, and a lifelong love of singing.

What Students Will Learn: 1.Proper posture, breathing, and vocal tone production. 2.Pitch and rhythm accuracy through fun, interactive methods
3.Ear training, basic sight singing, and foundational music theory. 4. Clear diction and healthy vocal technique
5.Musical expression through storytelling and play. 6.Engaging games and creative vocal activities that make learning fun

Singing Repertoire Includes: North American children's classics/Musical theatre songs/ Disney and film music/English and French pop songs/ North American folk and art songs/Age-appropriate Mandarin and multilingual songs. Each term focuses on a different repertoire theme. Teachers tailor lesson plans based on the students' progress and learning needs, ensuring every child feels supported and challenged at the right level. Through interactive learning, exploration of different musical styles, and gradual technical development, the Little Star Program inspires young singers to grow with joy, curiosity, and confidence—on stage and beyond.

6. Maintain good attendance and consistently complete MKSS assignments
7. Have strong stage presence and basic instrumental skills, and show interest in physicality and dramatic performance
8. Are curious, well-rounded, and possess strong overall learning ability

MKSS-RCM Voice Exam Preparation Course – June 2026

- MKSS will offer a comprehensive RCM Voice Exam Preparation Program to help students excel in their June 2026 RCM examinations. The program will include a total of 12 classes (no class during the spring break week), focusing on vocal repertoire coaching as well as sight-singing and ear-training practice to strengthen both musical and technical skills.
- The classes will run from March to the end of May 2026, with the RCM exam period scheduled between June 1 and June 20, 2026. MKSS is expected to open RCM Level 1, Level 2, and Level 3 voice prep classes. Detailed registration information and class schedules will be announced in February 2026 — please stay tuned for the official release.
- MKSS RCM Achievements: Over the years, MKSS students have consistently achieved outstanding results in RCM voice examinations, earning numerous First Class Honors with Distinction. Several MKSS students have also received the prestigious RCM Gold Medal, awarded to those who achieve the highest exam score in their level across the province — a true recognition of excellence and dedication.

Benefits of Taking the RCM Voice Exam

- Structured Learning Path: A step-by-step system that builds strong vocal technique and musicianship.
- International Recognition: RCM certificates are highly valued by music institutions, competitions, and universities across Canada and beyond.
- Comprehensive Musical Growth: Through repertoire study, sight-singing, and ear training, students refine pitch accuracy, tone quality, and expressive ability.
- Confidence and Performance Skills: Exam preparation provides valuable stage experience and fosters artistic confidence.
- Motivation and Achievement: Setting clear goals encourages consistent practice and a strong sense of accomplishment.
